If you have thought about playing Golf and want to know more about it, then this is the perfect opportunity for you. This introductory evening is aimed as a 'Beginners Guide to Golf' and will provide some useful information and resources to get you started in the sport.

You may be looking for a pastime just as an occasional hobby or maybe you want to join a golf club and compete in competitions. Whatever you decide this evening will give you the full experience including playing your first hole!!

An appropriate pathway can then be provided here at Whipsnade Park Golf Club for you to continue playing that caters for your time, budget and what YOU want to get out of the game.
